

Resolution 2536 (2020)

**Adopted by the Security Council at its 8750th meeting, on
28 July 2020**

The Security Council,

Recalling all of its previous resolutions, statements of its President, and press statements on the situation in the Central African Republic (CAR),

Welcoming the efforts made by the CAR authorities, in coordination with their international partners, to advance the reform of the security sector (SSR), including the ongoing deployment of CAR defence and security forces, *encouraging* them to implement their National Defence Plan, Force Employment Concept, and National Security Policy, and *acknowledging* the urgent need for the CAR authorities to train and equip their defence and security forces to be able to respond proportionately to threats to the security of all citizens in the CAR,

Welcoming also the commitment demonstrated and the progress made by the CAR authorities, along with their international partners, to achieve the key benchmarks for the review of the arms embargo measures, through inter alia suspension or progressive lifting of these measures, established in the statement of its President of 9 April 2019 (S/PRST/2019/3) (“the key benchmarks”) and *taking note of* the letter of the CAR authorities addressed to the President of the Security Council (S/2020/57),

Stressing the importance of the CAR authorities achieving the key benchmarks in order to contribute to the advancement of the SSR process, the disarmament, demobilisation, reintegration and repatriation (DDRR) process and necessary weapons and ammunition management reforms and *encouraging* the CAR authorities to maintain their efforts and continue their progress in this regard,

Recalling that deliveries of weapons, ammunition and military equipment and the provision of technical assistance or training, to the CAR security forces and intended solely for support of or use in the CAR process of SSR, by Member States or international, regional and subregional organisations should only be used for the purposes specified in the relevant notifications and exemption requests and underlining their contribution to the development of CAR security sector institutions, to the response to the specific needs of the CAR defence and security forces, and to the support to the progressive extension of State authority,

Stressing the need for the CAR authorities to ensure physical protection, control, management, traceability, and accountability of weapons, ammunition and military equipment transferred to their control,

Welcoming the report of the Secretary-General of 16 June 2020 (S/2020/545) submitted pursuant to resolution 2499 (2019),

Taking note of the Secretary-General's letter dated 30 June 2020 addressed to the President of the Security Council (S/2020/622) consistent with paragraph 13 of resolution 2507 (2020) and of the CAR authorities' report addressed to the Security Council Committee established pursuant to resolution 2127 (2013) concerning the CAR ("the Committee") consistent with paragraph 12 of resolution 2507 (2020),
