3 Every proposal must, as a rule, have only one aim and contain only the changes justified by that aim. Similarly, each proposal liable to lead to significant costs for the Union shall be accompanied by an indication of its financial impact, prepared by the member country submitting the proposal, in consultation with the International Bureau, so that the financial resources needed for its implementation can be determined.

4 Drafting proposals shall be headed "Drafting proposal" by the member countries which submit them and shall be published by the International Bureau under a number followed by the letter R. 2 These proposals shall be sent to other member countries through the intermediary of the International Bureau.

Article 140

Consideration of proposals amending the Convention or the Agreements between Congresses

1 Every proposal concerning the Convention, the Agreements and their Final Protocols shall be subject to the following procedure: where a member country has sent a proposal to the International Bureau, the latter shall forward it to all member countries for examination. They shall be allowed a period of two months in which to examine the proposal and forward any observations to the International Bureau. Amendments shall not be admissible. Once these two months have elapsed, the International Bureau shall forward to member countries all the observations it has received and invite each member country to vote for or against the proposal. Member countries that have not sent in their vote within a period of two months shall be considered to have abstained. The aforementioned periods shall be reckoned from the dates of the International Bureau circulars.

2 If the proposal relates to an Agreement or its Final Protocol, only the member countries which are parties to that Agreement may take part in the procedure described in paragraph 1.

Article 141

Procedure for submitting proposals to the Postal Operations Council concerning the preparation of new Regulations in the light of decisions taken by Congress

1 The Regulations of the Universal Postal Convention and the Postal Payment Services Agreement shall be drawn up by the Postal Operations Council in the light of the decisions taken by Congress.

2 Proposals that are consequential on proposed amendments to the Convention or Postal Payment Services Agreement should be submitted to the International Bureau simultaneously with the Congress proposals to which they relate. They may be submitted by a single member country without the support of other member countries. Such proposals shall be distributed to all member countries no later than one month prior to Congress.

3 Other proposals concerning the Regulations for consideration by the Postal Operations Council in its preparation of the new Regulations within the six months following Congress shall be submitted to the International Bureau at least two months before Congress.

4 Proposals concerning changes to the Regulations required as a result of Congress decisions that are submitted by member countries must reach the International Bureau no later than two months before the opening of the Postal Operations Council. Such proposals shall be distributed to all member countries and their designated operators no later than one month prior to the opening of the Postal Operations Council.

Article 142

2 No support by a member country shall be required for submitting any proposal to amend the Regulations.

3 Such a proposal shall not be considered unless the Postal Operations Council agrees to its urgent necessity.

2 Amendments made to the Regulations and their Final Protocols by the Postal Operations Council shall be communicated to member countries and their designated operators by the International Bureau. The same shall apply to the interpretations referred to in article 38.3.2 of the Convention and in the corresponding provisions of the Agreements.

Article 144

Entry into force of the Regulations and of the other decisions adopted between Congresses

1 The Regulations shall come into force on the same date and shall have the same duration as the Acts laid down by Congress.

Chapter IV

Finance

Article 145

Fixing of the expenditure of the Union (Const. 21)

1 Subject to the provisions of paragraphs 2 to 6, the annual expenditure relating to the activities of bodies of the Union may not exceed **37,235,000 Swiss francs for the years 2013 to 2016**.

2 The expenditure relating to the convening of the next Congress (travelling expenses of the secretariat, transport charges, cost of installing simultaneous interpretation equipment, cost of reproducing documents during the Congress, etc.) shall not exceed the limit of 2,900,000 Swiss francs.

3 The Council of Administration shall be authorized to exceed the limits laid down in paragraphs 1 and 2 to take account of increases in salary scales, pension contributions or allowances, including post adjustments, approved by the United Nations for application to its staff working in Geneva.

4 The Council of Administration shall also be authorized to adjust, each year, the amount of expenditure other than that relating to staff on the basis of the Swiss consumer price index.

5 Notwithstanding paragraph 1, the Council of Administration, or in case of extreme urgency, the Director General, may authorize the prescribed limits to be exceeded to meet the cost of major and unforeseen repairs to the International Bureau building, provided however that the amount of the increase does not exceed 125,000 Swiss francs per annum.

6 If the credits authorized in paragraphs 1 and 2 prove inadequate to ensure the smooth running of the Union, these limits may only be exceeded with the approval of the majority of the member countries of the Union. Any consultation shall include a complete description of the facts justifying such a request.

Article 146

Regulation of member countries' contributions

1 Countries which accede to the Union or are admitted to the status of members of the Union as well as those which leave the Union shall pay their contributions for the whole of the year during which their admission or withdrawal becomes effective.

2 Member countries shall pay their contributions to the Union's annual expenditure in advance on the basis of the budget laid down by the Council of Administration. These contributions shall be paid not later than the first day of the financial year to which the budget refers. After that date, the sums due shall be chargeable with interest in favour of the Union at the rate of 6% per annum from the fourth month.

3 Where the arrears of mandatory contributions, not including interest, owed to the Union by a member country are equal to or more than the amount of the contributions of that member country for the preceding two financial years, such member country may irrevocably assign to the Union all or part of the credits owed it by other member countries, in accordance with the arrangements laid down by the Council of Administration. The conditions of this assignment of credit shall be determined by agreement reached between the member country, its debtors/creditors and the Union.

4 A member country which, for legal or other reasons, cannot make such an assignment must undertake to conclude a schedule for the amortization of its arrears.

5 Other than in exceptional circumstances, recovery of arrears of mandatory contributions owed to the Union may not extend over more than ten years.

6 In exceptional circumstances, the Council of Administration may release a member country from all or part of the interest owed if that country has paid the full capital amount of its debts in arrears.

7 A member country may also be released, within the framework of an amortization schedule approved by the Council of Administration for its accounts in arrears, from all or part of the interest accumulated or to accrue; such release shall, however, be subject to the full and punctual execution of the amortization schedule within an agreed period of ten years at most.

8 The provisions under paragraphs 3 to 7 apply by analogy to the translation costs billed by the International Bureau to member countries belonging to the language groups.

Article 147

Shortfalls in financing

1 A Reserve Fund shall be established with the Union to cover shortfalls in financing. Its amount shall be fixed by the Council of Administration. The Fund shall be maintained primarily from budget surpluses, and may also be used to balance the budget or reduce the amount of member countries' contributions.

2 In case of temporary shortfalls in Union financing, the Government of the Swiss Confederation shall make the necessary short-term advances to the Union, on conditions fixed by mutual agreement.

Article 148

Supervision of book-keeping and accounting

1 The Government of the Swiss Confederation shall supervise, without charge, the book-keeping and accounting of the International Bureau within the limits of the credits fixed by Congress.

Article 149

Automatic sanctions

1 Any member country unable to make the assignment provided for in article 146.3 and which does not agree to submit to an amortization schedule proposed by the International Bureau in accordance with article 146.4, or which does not comply with such a schedule shall automatically lose its right to vote at Congress and at meetings of the Council of Administration and the Postal Operations Council and shall no longer be eligible for membership of these two Councils.

2 Automatic sanctions shall be lifted as a matter of course and with immediate effect as soon as the member country concerned has paid its arrears of mandatory contributions owed to the Union, in capital and interest, or has agreed to submit to a schedule for the amortization of the arrears.

Article 150

Contribution classes (Const. 21; Gen. Regs 131, 145, 146, 147 and 148)

1 Member countries shall contribute to defraying Union expenses according to the contribution class to which they belong. These classes shall be the following:

- class of 50 units;
- class of 45 units;
- class of 40 units;
- class of 35 units;
- class of 30 units;

- class of 25 units;
- class of 20 units;
- class of 15 units;
- class of 10 units;
- class of 5 units;
- class of 3 units;
- class of 1 unit;
- class of 0.5 unit, reserved for the least advanced countries as listed by the United Nations and for other countries designated by the Council of Administration.

2 Notwithstanding the contribution classes listed in paragraph 1, any member country may elect to contribute a higher number of units than that corresponding to the contribution class to which it belongs, for a minimum term equivalent to the period between Congresses. The announcement of a change shall be made at the latest at Congress. At the end of the period between Congresses, the member country shall return automatically to its original number of contribution units unless it decides to maintain its contribution of a higher number of units. The payment of additional contributions will increase the expenditure accordingly.

3 Member countries shall be included in one of the above-mentioned contribution classes upon their admission or accession to the Union, in accordance with the procedure laid down in article 21.4 of the Constitution.

4 Member countries may subsequently be placed in a lower contribution class, on condition that the request for this change is sent to the International Bureau at least two months before the opening of Congress. Congress shall give a non-binding opinion on these requests for a change in contribution class. The member country shall be free to decide whether to follow the opinion of Congress. The final decision of the member country shall be transmitted to the International Bureau Secretariat before the end of Congress. This change request shall take effect on the date of the entry into force of the financial provisions drawn up by Congress. Member countries that have not made known their wish to change contribution class within the required time shall remain in the class to which they belonged up to that time.

5 Member countries may not insist on being lowered more than one class at a time.

6 Nevertheless, in exceptional circumstances such as natural disasters necessitating international aid programmes, the Council of Administration may authorize a temporary reduction in contribution class once between two Congresses when so requested by a member country if the said member establishes that it can no longer maintain its contribution at the class originally chosen. In the same circumstances, the Council of Administration may also authorize a temporary reduction for the non-least developed countries already in the class of 1 unit by placing them in the class of 0.5 unit.

7 The temporary reduction in contribution class in application of paragraph 6 may be authorized by the Council of Administration for a maximum period of two years or up to the next Congress, whichever is earlier. On expiry of the specified period, the country concerned shall automatically revert to its original contribution class.

8 Notwithstanding paragraphs 4 and 5, changes to a higher class shall not be subject to any restriction.

Article 151

Payment for supplies from the International Bureau (Gen. Regs 134)

1 Supplies provided by the International Bureau to member countries and their designated operators against payment shall be paid for in the shortest possible time and at the latest within six months from the first day of the month following that in which the account is sent by the Bureau. After that period the sums

due shall be chargeable with interest in favour of the Union at the rate of 5% per annum reckoned from the date of expiry of that period.

Article 152

Organization of user-funded subsidiary bodies

1 Subject to the approval of the Council of Administration, the POC may establish a number of user-funded subsidiary bodies, funded by voluntary means, in order to organize operational, commercial, technical and economic activities which fall within its competence under article 18 of the Constitution, but which may not be financed by the regular budget.

2 Upon the creation of such a body under the POC, the POC shall decide on the basic framework of the statutes of the body, taking due consideration of the fundamental rules and principles of the UPU as an intergovernmental organization, and shall submit it to the CA for approval. The basic framework shall include the following elements:

- 2.1 the mandate;
- 2.2 the constituency, including the categories of members participating;

3 Each user-funded subsidiary body shall organize its activities in an autonomous manner within the basic framework decided by the POC and approved by the CA, and shall prepare an annual report on its activities for approval by the POC.

4 The Council of Administration shall establish the rules concerning support costs that user-funded subsidiary bodies should contribute to the regular budget, and shall publish them in the UPU Financial Regulations.

5 The Director General of the International Bureau shall administer the secretariat of the user-funded subsidiary bodies in accordance with the Staff Rules and Regulations, approved by the CA, applicable to the staff recruited for the user-funded subsidiary bodies. The secretariat of the subsidiary bodies shall be an integral part of the International Bureau.

6 Information concerning user-funded subsidiary bodies established in accordance with this article shall be reported to Congress following their establishment.

Chapter V

Arbitration

Article 153

Arbitration procedure (Const. 32)

1 If a dispute has to be settled by arbitration between member countries, each member country must advise the other party in writing of the subject of the dispute and inform it, by means of a notice to initiate arbitration, that it wishes to initiate arbitration.

2 If the dispute concerns questions of an operational or technical nature, each member country may ask its designated operator to act in accordance with the procedure provided for in the following paragraphs and delegate such power to its operator. The member country concerned shall be informed of the progress of the proceedings and of the result. The respective member countries or designated operators shall hereafter be referred to as "parties to the arbitration".

3 The parties to the arbitration shall appoint either one or three arbitrators.

4 Where the parties to the arbitration choose to appoint three arbitrators, each party shall, in accordance with paragraph 2, select a member country or designated operator not directly involved in the dispute, to act as an arbitrator. When several member countries and/or designated operators make common cause, they shall count only as a single party for the purposes of these provisions.

5 Where the parties agree to the appointment of three arbitrators, the third arbitrator shall be jointly agreed upon by the parties and shall not need to be from a member country or designated operator.

6 If the dispute concerns one of the Agreements, the arbitrators may be appointed only from among the member countries that are parties to that Agreement.

7 The parties to the arbitration may jointly agree to appoint a single arbitrator, who shall not need to be from a member country or designated operator.

8 If one or both parties to the arbitration do not, within a period of three months from the date of the notice to initiate arbitration, appoint an arbitrator or arbitrators the International Bureau shall, if so requested, itself call upon the defaulting member country to appoint an arbitrator, or shall itself appoint one automatically. The International Bureau will not be involved in the deliberations unless otherwise mutually requested by the parties.

9 The parties to the arbitration may mutually agree to reconcile the dispute at any time before a ruling is delivered by the arbitrator or arbitrators. Notice of any withdrawal must be submitted in writing to the International Bureau within 10 days of the parties reaching such agreement. Where the parties agree to withdraw from the arbitration process, the arbitrator or arbitrators shall lose their authority to decide the matter.

10 The arbitrator or arbitrators shall be required to make a decision on the dispute based on the facts and evidence before them. All information regarding the dispute must be notified to both parties and the arbitrator or arbitrators.

11 The decision of the arbitrator or arbitrators shall be taken by a majority of votes, and notified to the International Bureau and the parties within six months of the date of the notice to initiate arbitration.

12 The arbitration proceedings shall be confidential, and only a brief description of the dispute and the decision shall be advised in writing to the International Bureau within 10 days of the decision being delivered to the parties.

13 The decision of the arbitrator or arbitrators shall be final and binding on the parties and not subject to appeal.

14 The parties to the arbitration shall implement the decision of the arbitrator or arbitrators without delay. Where a designated operator is delegated power by its member country to initiate and adhere to the arbitration procedure, the member country shall be responsible for ensuring that the designated operator implements the decision of the arbitrator or arbitrators.

Chapter VI

Use of languages within the Union

Article 154

Working languages of the International Bureau

1 The working languages of the International Bureau shall be French and English.

Article 155

Languages used for documentation, for debates and for official correspondence

1 In the documentation published by the Union, the French, English, Arabic and Spanish languages shall be used. The Chinese, German, Portuguese and Russian languages shall also be used, provided that only the most important basic documentation is produced in these languages. Other languages may also be used on condition that the member countries which have made the request bear all of the costs involved.

2 The member country or countries which have requested the use of a language other than the official language constitute a language group.

3 Documentation shall be published by the International Bureau in the official language and in the languages of the other duly constituted language groups, either directly or through the intermediary of the regional offices of those groups in conformity with the procedures agreed with the International Bureau. Publication in the different languages shall be effected in accordance with a common standard.

4 Documentation published directly by the International Bureau shall, as far as possible, be distributed simultaneously in the different languages requested.

5 Correspondence between the member countries or their designated operators of member countries and the International Bureau and between the latter and outside entities may be exchanged in any language for which the International Bureau has available a translation service.

6 The costs of translation into any language, including those resulting from the application of paragraph 5, shall be borne by the language group which has asked for that language. The member countries using the official language shall pay, in respect of the translation of non-official documents, a lump-sum contribution, the amount of which per contribution unit shall be the same as that borne by the member countries using the other International Bureau working language. All other costs involved in the supply of documents shall be borne by the Union. The ceiling of the costs to be borne by the Union for the production of documents in Chinese, German, Portuguese and Russian shall be fixed by a Congress resolution.

7 The costs to be borne by a language group shall be divided among the members of that group in proportion to their contributions to the expenses of the Union. These costs may be divided among the members of the language group according to another system, provided that the member countries concerned agree to it and inform the International Bureau of their decision through the intermediary of the spokesman of the group.

8 The International Bureau shall give effect to any change in the choice of language requested by a member country after a period which shall not exceed two years.

9 For the discussions at meetings of the Union's bodies, the French, English, Spanish, Russian and Arabic languages shall be admissible, by means of a system of interpretation – with or without electronic equipment – the choice being left to the judgment of the organizers of the meeting after consultation with the Director General of the International Bureau and the member countries concerned.

10 Other languages shall likewise be admissible for the discussions and meetings mentioned in paragraph 9.

11 Delegations using other languages shall arrange for simultaneous interpretation into one of the languages mentioned in paragraph 9, either by the system indicated in the same paragraph, when the necessary technical modifications can be made, or by individual interpreters.

12 The costs of the interpretation services shall be shared among the member countries using the same language in proportion to their contributions to the expenses of the Union. However, the costs of installing and maintaining the technical equipment shall be borne by the Union.

13 Member countries and/or their designated operators may come to an understanding about the language to be used for official correspondence in their relations with one another. In the absence of such an understanding, the language to be used shall be French.
